

Sounds Of Singchronicity - Nov To Jan 09

The year in review....

Last newsletter

As this is the last newsletter for 2009, I thought I would take the opportunity to review the year that was. This is can be a fascinating exercise that helps you appreciate the little things and the big things that happen along the way, things we don't stop to notice because of our busy-ness..... as we are buried in our business! This year I made a conscious decision to dedicate more of my energy "going with the flow" and "being present" and this is what it has brought me!

The BIG ones

So what are the big things that have happened in the past year for me?

- * Peace Mantra receives International Songwriting Award
- * Produced DVD to promote workshops (nearly ready!)
- * Debut Exhibition for one of my new-found passions..... Pastel Painting!
- * Taken up African drumming with Kerrie
- * Purchased a top quality mp3/WAV recorder that has facilitated a massive surge in songwriting

Other Highlights

- ☀ Cartoon workshop with Shaun Leahy
- ☀ Missed out on a promotion at work, which turned out to be a gift!
- ☀ Bought a Doumbek (egyptian chalice type drum) second hand for \$45!

Skill Development

During the year I have had the opportunity to develop my skills through listening to and or working/playing with some very talented people including:

- 🎤 Melinda Wells (Brisbane Songwriters Club)
- 🎤 Hugh Brown (Brisbane Songwriters Club)
- 🎤 Melinda Schneider
- 🎤 Eric McCusker (Mondo Rock)
- 🎤 Mark Gable (Choir Boys)
- 🎤 Leah Flannaghan (Folk singer)
- 🎤 Lisa Young (Pianist extraordinaire!)
- 🎤 Irena Kirpichnikova (Spiritual Artist)
- 🎤 Mundy-Turner (Folk Singers & Freedom Train Community Choir Directors)

Songs tell my story

Over the last year I have written quite a few new songs. Each of these has been an expression of where I was at the time, lessons I have learned or lessons I am teaching myself! Often I write a song to convey a message to others and then realise that I am talking to myself! You can see a bit more about the year I've had from the songs listed below:

- 🎵 Self Love
- 🎵 Healing Ways (I open my heart to Healing Ways)
- 🎵 The River of Life (I'm carried by the river of life)
- 🎵 I sing for you
- 🎵 Unconditional Love
- 🎵 Be (Just let it be)
- 🎵 We Can Make Peace

- 🎵 My Side of the Bed (comedy folk song that came to me one morning when I was getting out of bed!)
 - 🎵 Monkey Mantra (Rock style meditation to get rid of "monkey chatter")
 - 🎵 Shine your Light
 - 🎵 Time for Love
 - 🎵 Always Safe (to sing)
 - 🎵 I'll Remember (commemorating the life of a close cousin)
 - 🎵 The Cards (No matter what the cards are you are dealt...)
 - 🎵 Everything is Perfect (Just the way it is)
- So this is how the year panned out by just going with the flowexciting isn't it! So check out the remaining events overleaf and trust yourself to **go with the flow!**
